

RMTA Monitor Duties

Monitors, I can't stress enough how much we need your help!

1. Show up!! 😊
2. Find the Monitor clipboard in the room. It has the event schedule.
3. Find the programs inside the judge's envelope and set them out in a very visible place for parents and teachers to easily find them upon entering the performance space.
4. Get students seated up front and collect their music for the judge, **in the correct performance order.**
5. Read the Adjudicator's Bio, if provided and welcome guests.
6. HELP US STAY ON TIME!
7. Hand out certificates & clear the room . . . and save the judge from parents' questions!
8. Pat yourself on the back for an important job well done! These events cannot succeed without you!
